

Well, we've come to the end of a very successful summer track season. Before we plunge right into Cross-Country and the Fall Road Races, I think we should take some time out and reflect on where the GRTC has come from and where it is going. We have increased our membership to 700+ active participants. We have expanded our programs to include more of everything; from more Age Group events to more Women's events to more opportunities for advanced level competition. We have added more Cross-Country races, begun a Touring X-C Team, added more Run-for Fun races, purchased more equipment for the Club, started an Indoor Track program, and set many records in the process of expanding. We have become a full time club through the efforts of the Board of Directors, the Officers and most importantly through the time and interest of you, the members. So, everyone give yourself three pats on the back for a job well done and let's get to work on making next year better than this year.

To attempt to wrap up the summer, we, the GRTC are sponsoring the First Annual Club Picnic, to be held at RIT on Sunday, August 21, '77 from 1:00 p.m. 'til 6:00 p.m. This is open to all GRTC members. The entry fee is to bring a dish to be passed: salads, cakes, pies, baked beans, casseroles, cookies, cupcakes, etc...The Club will provide Hots and Hamburgers. Bring your own beverages. The RIT pool will be open, so bring your bathing suits. In case of rain, show up anyway, the picnic will go on. There will be no track &/or field events allowed. If you must run on Sunday; enter the GRTC X-C Championships at 10:00 a.m. at Cobb's Hill Park that morning. There will be games and prizes. Don't forget to bring your softball glove and bats. So we have some idea (to order enough and not too much meat) of the number coming, we ask that you fill out this form below as soon as possible. (Don't just appear that day without making a reservation and expect to eat a hot or hamburger.)

* * * * *

Name _____ Club No. _____
or #'s _____

I will be attending the GRTC Picnic on Sunday, August 21 at RIT.

_____ Number of people

I will be able to bring _____ to be passed around for dinner.

Please return this form at once to Bill Quinlisk, 84 Dorking Rd., Rochester 14610. You can try calling him at 716-385-2916 but he's never home. (Early Sunday, maybe, Bill!)

Note: That "+" sign equals 3/4".

RESULTS

Eastern United States Relay Championships, Boston, Mass. July 30, 1977

440 Relay

Mike Walker
Rick Joyce
George Brown
Roy Scott
4th overall in 41.5

880 Relay

Elroy Turner 21.5
Rick Joyce 21.9
Chris Downs 22.3
Roy Scott 21.6
6th overall in 1:27.4

Mile Relay

Ron Hardy 50.5
Rick Joyce 49.9
Mike VanAuker 50.0
Elroy Turner 47.4
7th overall in 3:17.8

All 3 Relays are Club Records. The 880 Relay winning team, the Philly Pioneers set an unofficial World record of 1:21.2. The record is unofficial because one of their team members was Jamaican.

To demonstrate the versatility of the Club; that same day in Buffalo at the Niagara AAU Relay Championships, our so-called "B" Team took two firsts, a second, and a third out of the four men's relay events.

Mile Relay-1st

Greg Miller
Darryll Green
Chuck McAteer
Paul Herman
3:25.7

Distance Medley-1st

Darryll Green
Chuck McAteer
Roger Tumasonis
Rich Saxton
12:11.9

880 Relay-2nd

Greg Miller
Darryll Green
Rich Saxton
Roger Rumasonis

Mile Medley-3rd

Henry Bell
Chuck McAteer
Paul Herman
Greg Miller
3:38.6

MESSAGE TO THE CHATTANOOGA, Tn Track Club:

We have your newsletter, JOGGING AROUND, appreciate your sharing
it with us and appreciate also your kind words about our Club.
We have 725 members and each day continue to grow. After reading
this Newsletter, do you have the same problems we do?

Some words from your treasurer:

Just when our Tuesday/Thursday meets were over and our days and nights were settling back into a much slower routine, our President sends us a Newsletter to get out posthaste - so I just thought I'd add my two cents for what it is worth.

When we have our next Board of Directors meeting, I am going to put in a few suggestions of my own (incorporated with those you handed in) for what they will be worth. Here are a few:

1. Have a meet at the end of our summer season for all non-medal winners. (That is, for competitors who didn't win a medal in any event during the 8 meets.) (I know how some of you must feel after working so hard all season and always getting beat at the finish line by someone just a little bit better.)
2. After a very hectic Meet #1 and also Meet #2 when 184 memberships were taken, I am going to suggest that no new or renewal memberships be taken at the track those two nights. I went home feeling like a "wet dish rag" and for 13¢ a piece, each of you could have made life so much easier (and this goes for some of our Board of Directors also).
3. We will be more diligent in our efforts to catch the non-payers by insisting that all members wear their #'s in running events. About 1/2 of 1% - a small amount, you say - (Rog, you were right) but is it fair to the rest - got through without paying and of that 1/2 of 1%, 1/4 of them walked off with medals. It isn't the price of a medal or ribbon, however, and I will give you an example of what happened one night to explain. A runner came one night to work out his aches and pains from the Decathalon. He ran in a race and came in second. Now, he didn't tell the timers not to time him and no one happened to tell the head timer to throw his timeout, so a 3rd runner took home a bronze medal instead of a silver and someone out there who should have had a bronze medal that night was deprived of winning it. Who knows, it might have been you and your first medal of the season.
4. I will also suggest that the winning medal winners bechecked against the paid list. Lost some medals this way, too. I had more time at Meet #8 so started checking before medals were handed out. It isn't fair to the guy who ~~always~~ pays his way (and never wins).
5. For the person handing in a suggestion about bringing back the water fountain, we will bring a water jug or two to help solve the water problem on those real hot nights.
6. I will suggest we work on the pole vault situation over the winter. Perhaps we can come up with a solution. Vandalism and the elements were some of the reasons for not leaving the Port-a-Pit out for the summer meets and, at the cost of the pit, I don't blame Pete Todd for protecting his equipment. As you know, his budget money has been cut so he must better protect what equipment he has.
7. To the persons suggesting a reversal (early one night and late the next) of the sprint and long distance races, this is a very good suggestion and we will also present this to the Directors for their action or reaction.
8. To the girls under 10 and also 11-14 who approached the desk asking if they must compete on Tuesday nights with the boys in their age groups, the answer is "yes" at the moment. I know how you feel, your chances of a medal are much lower while

Your treasurer's comments continue:

competing with boys your age who tend to be faster - especially if you are new to racing. Thursday night was designed for you, however, this did not prove to be as popular as we had hoped. At any rate, you have given us food for thought. Tuesday nite events were increased this year to a point where we just made it before dark but we will work on this, I promise.

With this Newsletter is the Treasurer's Report. Peruse it and should you have any questions or comments, drop me a line. Would like to see more of you out there take an interest in your club. Come to the annual meeting, come to the Board of Directors meetings (will try to announce dates early enough), volunteer to time or help in some way on Tuesday and Thursday nights and relieve those few loyal members who try to keep things running smoothly so you can come out and have a good time.

For what it is worth, Meet #2 attracted the most members and to those who became discouraged or disinterested after that meet, it is too bad you didn't hang in there. We found a better, faster way to record your payments and Meet #3 went off much more smoothly.

A very special thank you to Pete Todd (Track Coach at RIT) for once again letting the GRTC use the RIT facilities and the track. I am sure each and every one of you must realize what facilities I mean - pool, weight room, locker rooms with showers and blowers to dry the girls' hair, candy machines, pop machines along with the field and RIT's track equipment. Again, Pete, thanks a million. Also thanks to Lynn for dragging the cart Tues. and Thur.

It was nice meeting and seeing all you fine people at the track. I only regret I don't have the ability to remember names and faces. I'll work on it over the winter and try to do better next year. (Sorry, Andy Wroblewski.) To the Graims, "Bon Voyage" and do write and let us know your new address so we can keep you posted on GRTC events. To any members who have moved or anticipate moving, please give me your change of address. As you may know, should a Newsletter be mailed 3rd class, it won't find its way back to me and I'll keep wasting postage until I know your new address. Elroy, I don't know your address.

Also, keep us posted on races and field events you participate in over the winter months. We like to be informed of all happenings whether you take a first or come in last. It makes the newsletter easier to prepare when there is more material to print. To those who came out on Thursdays and had an enjoyable evening, maybe next year we can interest a few more families in participating. I had more fun on Thursdays - my work load was nil. To all who helped at the track - you know who you are and space does not permit naming you - a very big "thank you." I am sure the entire membership joins me in this.

To our two daughters, Karen and Kim, I wish to say "thank you" also, for being patient with Mom and Dad when the work of getting ready to return to the track came first over Hemlock Fair, a movie, going to Grandmother's, walking and jogging 5 miles to Livonia for exercise and even eating. Thanks for stuffing file folders prior to every Tuesday meet, helping write up the results, folding and stapling at Newsletter time and for all the other work you have done for us.

It is time to start up the typewriter and get Bill's Newsletter out - sorry Bill, I took up so much space. So to all of you, I wish you a healthy and successful fall, winter and spring running, jumping and throwing season. See you in June, 1978.

Yours treasurer, Shirley G.

P.S. Memberships make a nice Christmas gift, all you moms and dads.
